- MS/M.Sc(Science) - Computers
2024
Annai Vailankanni College of Arts and Science,
Thanjavur
Grade - 81%

Projects

- Forever-Ecom
0 Days
A responsive eCommerce web app built with React.js and Tailwind CSS, featuring product listings with search, filter, and sort functionality. Includes product detail pages, cart, order, and user auth pages. Fully responsive and optimized for user experience.
- Net Mirror Movie
0 Days
A responsive movie search app that displays key movie information including poster, rating, original language, and release year using TMDB data. Optimized search performance with useDebounce and integrated Appwrite to track user searches, dynamically updating the "Trending Movies" section. Fully responsive and mobile-friendly.
